

Greetings!

I want to thank you for utilizing one of the online account options the Wyrope Williamsport Federal Credit Union has to offer to open your new account with us! A credit union is a member-owned financial cooperative that offers a wide variety of products and services to its members.

When you became a member of the credit union, you became eligible to use the great services we offer such as:

- Free Checking Account, Bill Payer, and online account access
- Visa Debit Card
- Remote Deposit services through our mobile app for both Apple and Android
- Low cost money orders, wire transfers, cashier's checks, Visa gift and travel cards
- Car loan, Signature, Recreational Vehicle, and Home Equity loans
- Visa credit cards
- Share certificates of deposit
- Christmas Club and Vacation Club accounts
- Touch tone (Audio) teller
- Notary Services
- Ability to share credit union membership with your family.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see and retain a scanned image of your driver's license or other identifying documents.

As part of online account opening, we will need to ensure we have up to date contact information and identification as well as collect the required account signature card either in person or electronically through e-Docs. If there are items or signatures needed and not received within a period of time (between 2 and 30 days depending on what is needed) the account will need to be closed.

If you have any questions about the above services or required items, we may need to follow up with you on, do not hesitate to call or e-mail us. (loans@wyrope.org, questions@wyrope.org or 570-323-5188)

Again, thank you for being part of the Wyrope Williamsport Federal Credit Union family.

Sincerely,

Kristin L. Thomas
