

Account Summary

Auxiliary Share Savings

Auxiliary Share Savings is a non-transactional account for all consumer members. This is an additional savings account outside of the required base share that may be used for other purposes such as long-term savings, tax payment savings, or as an overdraft sweep for the transactional accounts.

(This document is meant to give a summarized overview of account type, features, and fees. It does not replace the official Wyrope Fee Schedule, Terms & Conditions, EFT Disclosures, as well as other Account Agreement documents. This is subject to change at any time.)

Overdraft Fees and Posting Order (continued)	Wyrope will generally pay items in chronological order when date and time of transaction information is available. Wyrope may consider paying items when you do not have sufficient funds in your account to cover the transactions. You will be charged a fee as outlined in our fee schedule for both paid and returned items when there are insufficient funds available. These items are paid at the sole discretion of the Credit Union, and in compliance with current regulations.

Funds Availability	<p>Generally, funds from checks deposited at the branch, with a teller, are immediately available. Cash and wire transfers are available immediately upon receipt. Electronic deposits are available on the date they are submitted for settlement from the sending source, but you may see an advance notice of “pending deposits” prior to their availability. This pending deposit may be subject to change or correction from the sending party prior to the funds being released.</p> <p>Check availability is subject to many factors including check amount, account history, type of check, method of deposit, and any special holds placed on the check. See our Funds Availability Schedule for full details.</p> <p>ATM Deposits, including cash, are subject to different availability dependent upon the type and servicer of the ATM used.</p>
