

## **FLEX TELLER featuring e-Statements**

Save time and reduce paper all while protecting your Credit Union information! You can log onto Flex Teller and view your statements on-line! What this will do for you is that your paper statement will no longer be sitting in your mailbox just waiting for that next dishonest person to take.

You will receive an e-Notice via your email when your statement is ready for viewing. It is very important to contact the Credit Union if you should change your email account.

**Don't Delay - Sign Up NOW!!**

**YES! Sign me up  
NOW for e-Statements!**

By signing up for this service you are agreeing that:

- ♦ Wyrope Williamsport FCU will stop paper statements and make your statement available to you by electronic means;
- ♦ If you change your e-mail address, you will notify us of the change so that we can continue to send you your statements electronically;
- ♦ Your participation in the e-Statement service does not change your rights and obligations related to your membership.

# **FLEX TELLER**

**[www.wyrope.org](http://www.wyrope.org)**

Your credit union is happy to offer you this great on-line service, Flex Teller. The Flex Teller is our new, anytime PC-based transaction service. It is safe, easy to use, and completely **FREE!!** Your personal computer can now serve as your Wyrope "HOME BRANCH" and it is open for business day and night, seven days a week.

To get started using this great on-line service please complete the attached application and return it to the Credit Union.

Please note that if you have more than one member number, you must complete a separate application for each account. Completing the Transfer Authorization section will only allow you to transfer monies to those specific accounts. You will not be allowed, however, to view the other accounts.

## What are the requirements for using FLEX TELLER?

- ◆ PC or MAC with internet capabilities
- ◆ You must be using a 128 bit SSL browser. If you do not have this capability, you will receive an error message. If you are warned that your browser does not support 128 bit SSL, to to [www.netscape.com](http://www.netscape.com) to update the Netscape browser, or go to [www.microsoft.com](http://www.microsoft.com) for an updated Internet Explorer browser.

## How does it work?

Once you complete the application, you can go directly to the Flex Teller at [www.wyrope.org](http://www.wyrope.org), click on the Flex Teller icon and then you will be prompted to put in your Account Number and click on forgot password. You will receive two e-mails to complete the application process.
