When you deposit a check, all or part of the check might be available the next business day. However, Wyrope FCU might place a hold on the deposit, especially those at the ATM, which is a PSECU-owned machine, that usually ranges from two to ten business days.

For that reason, after hours, we ask you to make large check deposits into our "Drop Box", that you can find on the side of the building, so that we can make a better judgment about the check, and any necessary hold. Thank you!
